

DETERMINE YOUR NEEDS BEFORE PURCHASING A PROPERTY

1 WHICH GEOGRAPHICAL AREA?

How far from your workplace do you see yourself living? Do you need public transport, proximity to schools or shops?

2 THE NUMBER OF ROOMS

How many bedrooms and bathrooms for family members? Do you need a guest room to entertain or an office to work in?

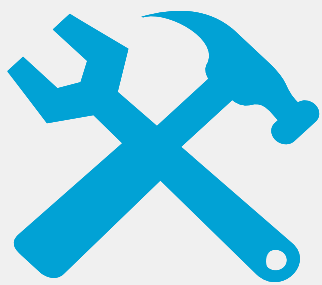

3 AN OUTDOOR SPACE?

Garden, terrace or balcony? Is it important to you? And in the case of a garden, are you ready to maintain it?

4 BRAND NEW OR OLD BUILDING?

Modern or old world charm? Would you be ready to do the work yourself, even if it means sacrificing your time, or adding this envelope to the total budget?
